

The Searsport Historic Preservation Committee
is sponsoring
Historic Markers
for Searsport Homes and Buildings

Small plaques on houses in Searsport are an attractive way to let visitors know about the many years our Town has been in existence, and the architectural changes that have evolved throughout the years. The plaques convey a sense of appreciation and pride in our history. Thus, the Historic Preservation Committee is offering a standardized way at reasonable cost to add such plaques to our homes.

The standard plaques are 12" x 16", made of MDO board, and have black lettering on white background. Holes will be pre-drilled. Space provides for up to 3 lines of copy, 11 spaces per line. A plaque costs \$31.50 (see Figure below). Longer names can be accommodated at extra cost
